

## EC Declaration of Conformity

in the sense of the Pressure Equipment Directive 2014/68/EU

The distributor Buschjost Solenoid Valves GmbH & Co. KG In the Meisenfeld 5  
32602 Vlotho

hereby declares that the valve listed below complies with the relevant standards  
and is intended as a non-independent device for installation in a machine or in a  
system, whereby its commissioning is prohibited until it has been ensured that the  
overall machine or system complies with the provisions of the relevant EC  
directives.

|                              |   |
|------------------------------|---|
| Valve:                       | 2/640-04/0800/7008-DT   |
| Connection type, valve seat: | DN32, 32mm  |
| Pressure range:              | 0 - 10 bar  |
| Housing:                     | AISI 316 Ti - 1.4571(81)  |
| Seal:                        | Metall/Wills®   |
| Valve option:                | distance unit with Wills® seals   |
